happy thoughts
happy thoughts
happy thoughts will save me
happy thoughts
happy thoughts
happy thoughts will save me

Why do cats smile
When dragons breath fire
Why do frogs shigh
When camels wish to retire

Why do the antelope
Go swingling off the anchor-rope
Why do bares bore
Oh why whatever for

No one will ever know
And neither will I
So think happy thoughts
'till bad ones go by

happy thoughts
happy thoughts
happy thoughts will save me
happy thoughts
happy thoughts
happy thoughts will save me

Why do birds sing
When worms can't hear a thing
Why do snakes dance
When snalis get fryed in france

Why do the red foxes
Go pulling off the badgers socks
Why do sheep dive
Straight in to the bee hive

No one will ever know
The blackbird in the pie
So think happy thoughts

'till bad ones go by

happy thoughts

happy thoughts

happy thoughts will save me

happy thoughts

happy thoughts

happy thoughts will save me
