"The Price Of Love"

Wine is sweet, gin is bitter
Drink all you can but you won't forget her
You talk too much and laugh too loud
You see her face in every crowd
And that's the price of love
The price of love
It hurts you more when you're to blame
Kiss one girl, kiss another
Kiss them all but you won't recover
You're dancing slow, you're dancing fast
You're happy now but that won't last
And that's the price of love, the price of love
A debt you pay with tears and pain
The price of love, the price of love
It hurts you more when you're to blame
Kiss one girl, you kiss another
Kiss them all but you won't recover
