Leave with this piece of time  
I swear I could sleep for days if you'd speak your mind.

(Over and over and over again)

You've lost a friend, is this the end of us?  
Where do we go from here?  
Pictures of those who came, and they're all the same.

(Over and over and over again)

You've lost a friend, but you act like its so hard to Take  
Me Back  
You know Im sick of all these Goodbyes  
Its just another Saturday  
Another day  
Im drowning Without You

Well you've done your time  
You're not alone  
Were ghosts in the night trying to find our home  
Wasting your time and you lost a friend  
You've lost a friend, You've lost a friend

but you act like its so hard to Take Me Back  
You know Im sick of all these Goodbyes  
(goodbyes)  
Its just another Saturday  
Another day  
Im drowning Without You  
So wont you take me back?  
You know you gotta give me one more chance.  
Its just another Saturday.  
Another day  
Im drowning Without You

Pain is choice, but that day, you changed  
You're giving up on me  
No, no, no we can't stop now, no  
You're giving up on me,  
you're not the only one who's tired of this town

but you act like its so hard to take me back  
You know Im sick of all these Goodbyes.  
Its just another Saturday.  
Another day  
Im drowning Without You  
(over and over)
