Well our hands are tied my dearest friend  
This is our last goodbye  
Can we pretend that it's 1969 when we were young?  
(When we were young)

A world that gave you everything  
And suddenly you're forced to leave it  
It's the end of the road for me and you  
And I can't make you stay no matter what I do

My heart is hung my dearest friend  
When your life runs dry  
And our days were young but numbered in time after  
time  
And I had to let go of this heart of stone that's driven  
me for so long

It's the end of the road for me and you  
The end of the road

My heart is hung my dearest friend  
When your life runs dry  
Get off your bed cause I've realized that I'm still in love  
I'm still in love

You'll stay  
Cause I'm still in love with you  
And I want you to stay  
I'm still in love with you  
I'm still in love
