He'd cross the street to kick a stone
High above the city glow
And he'd squint just at the sun's last shine
For a thread of ocean light

And it was gold like fire
The future with her arms out wide
Rain on the humming wire
Summer with no end in sight

Far from those creatures in the night
The sun's a river in my bones
I need to feel it inside
Bright as a ghost

In the breath of an empty bed
A weight is pressing on your chest
You had everything you wanted there
But you were restless

For the creatures in the night
The sun's a river in my bones
I need to feel it inside
Bright as a ghost

And tell me
Who's inside this mind
Leaving me to end this?
Who's behind these eyes
Leaving me so restless?

For the creatures in the night
The sun's a river in my bones
I need to feel it inside
Bright as a ghost

And tell me
Who's inside this mind
Leaving me to end this?
Who's behind these eyes
Leaving me so restless?

Leaving me so restless
Leaving me so restless
Leaving me so restless
Leaving me so restless
