Well, I know you're moving on
And it's clear we're moving on alone
I hope you find what you're looking for
And I know that one thing's for sure

The feeling is gone
As long as I'm hoping it stays
I'm hoping it stays

Well, every time that feeling is mine
I let it go to waste
When I feel it go wrong
I leave it too long

So long it hurts to say
The feeling is gone
As long as I'm hoping it stays
I'm hoping it stays, I'm hoping it stays

And though it left you too
I wanna give that feeling back to you

The feeling is gone
(I'm hoping it stays, I'm hoping it stays)
The feeling is gone
(I'm hoping it stays, I'm hoping it stays)
The feeling is gone
(I'm hoping it stays, I'm hoping it stays)
The feeling is gone away

And though it left you too
I wanna give that feeling back to you
