Woh ladki, yaad aati hai -2
Jo hothon se nahin, pure badan se muskurati hai
Simate waqt bhi, charon dishaon ko sajati hai
Meri saanson mein ab bhi jiski khusboo jagmagati hai
Woh ladki yaad aati hai

Woh ladki phool jaisi, chand jaisi, chandni jaisi -2
Woh sar se paon tak, poori ghazal ki, shayeri jaisi
Meri awaaz mein jo sher bankar gungunati hai
Woh ladki yaad aati hai

Woh jis raste se guzre, der tak manzar chamakte hain -
2
Kadam tham tham ke uthte hain
Ke peymane chalakte hain
Woh har mausam mein apne husn ka jaadoo jagati hai
Woh ladki yaad aati hai

Woh ladki ab na jaane, kiske jeewan ki kiran hogi -2
Abhi tak phool ki manid hogi ya chaman hogi
Woh aise saath rahti hai na aati hai na jaati hai
Woh ladki yaad aati hai

Woh ladki yaad aati hai..
