In my imagination, there is no complication
I dream about you all the ti-i-ime
In my mind a celebration, the sweetest of sensation
Thinking you could be mi-i-ine

In my imagination there is no hesitation
We walk together hand in hand, I'm dreaming
You fell in love with me, like I'm in love with you
But dreaming's all I do, if only they'd come true

I should be so lucky, lucky-lucky-lucky
I should be so lucky in lo-o-ove
I should be so lucky, lucky-lucky-lucky
I should be so lucky in lo-ove

It's a crazy situation, you always keep me waiting
Because its only make belie-ie-ieve
And I would come a-running to give you all my loving
If one day you would notice me-ee-ee

My heart is close to breaking and I can't go on faking
The fantasy that you'll be mine, I'm dreaming
That you're in love with me, like I'm in love with you
But dreaming's all I do, if only they'd come true

I should be so lucky, lucky-lucky-lucky
I should be so lucky in lo-o-ove
I should be so lucky, lucky-lucky-lucky
I should be so lucky in lo-ove

I should be so lucky, lucky-lucky-lucky
I should be so lucky in love
