Fucking want to shove your shit up your cunt, watch it
liquefy as use it for lubrication,
punch you in the throat and cum in your mouth, watch
you gasp for breath as I cut off
Air to your lungs... eat it, swallow it vomit it, fuck it...
filth, I can't explain it, filth, I can't
Control it, filth motherfucker filth is what it fucking live
for... I talk the talk, I walk the walk
pushing myself to the limit my sickening obsessions
redefine deviance...My senses are
Corroded my psyche contaminated, to you this is
asinine, for me this is fucking heaven...
Sexual purity is motherfucking boring and will be
shattered...Grinding down society with
Constant fucking is now the standard...Rid the fucking
world of all that's good and pure...
A new state of mind a new dementia fuck you... in the
catacombs of my mind, is the
Origin of a morbid fucker.. who are you to judge me,
you are fucking just like me...I'm
The most... perverse motherfucker you'll ever fucking
meet, a fanatic with a sex drive for
Savage ecstasy.. vivid, vile perversion you're my
servant for intrusion, fulfillment of my
Urges is your only fucking purpose...filth,
motherfucker, FILTH.
