Offensive and insulting exceeding every boundary in  
search of higher ecstasy living for the  
moment every day to the fullest anything can be  
achieved rapid-fire instructions forced into  
positions demoralizing and degrading and degrading  
vaginal contractions I regulate your  
oxygen for an out of body experience normally can take  
a fucking backseat deviate from the  
sexual mainstream the pain intensifies the ecstasy  
orgasm is the enemy brutalized to pure  
servitude with humiliation and verbal abuse slavish  
submission passive obedience absexuality  
erotic energy of offensive and insulting exceeding  
every boundary in search of higher ecstasy  
living for the moment, every day to the fullest anything  
can be archived rapid-fire instructions  
forced into positions demoralizing and degrading  
vaginal contractions I regulate your oxygen  
for an out of body experience...
