Well, he used to be mine  
Not so very long ago  
I was crazy  
To ever let him get away  
But, girl, you should know better  
Then to go braggin' in my face  
So forgive me  
For what I'm 'bout to say  
Big Deal, so what , who cares  
You just got lucky, that's all  
It was, shut up  
Don't wanna hear another word about  
Candle light, and long stem roses  
And how you're fallin' head over heels  
In love, so what, big deal.  
He's perfect, I heard ya  
The first ten times that you told me  
(Yeah, Yeah) It's amazin', his lovin'  
I can't believe I let him go  
I regret it, there I said it  
You call yourself a friend  
But you just keep rubbin' it in  
Big Deal, so what , who cares  
You just got lucky, that's all  
It was, I swear  
If I hear another word about  
Candle light, and long stem roses  
And how you're fallin' head over heels  
In love, so what, big deal.  
Congratulations, I'm just  
So happy for you  
I can't contain the way I feel  
Big Deal, Big Deal  
So what , who cares  
You just got lucky, that's all  
It was, shut up  
Don't wanna hear another word about  
Candle light, and long stem roses  
And how you're fallin' head over heels  
In love, so what, big deal.  
In love, so what

Big Deal,  
Big Deal,  
Oh, yeah!  
Big Deal.
