[LEANN]

[Yodels]

The cattle are prowlin'  
The coyotes are howlin'  
Way out where the doggies roam  
Where the spurs are a jinglin'  
And the cowboy is singin'  
His lonesome cattle call

[Yodels]

He rides in the sun  
'Til his days work is done,  
And he rounds up the cattle each fall

[Yodels]

Singing his cattle call

[EDDY]

For hours he would ride  
On the range far and wide  
When the night winds blows up like smoke  
His heart is a feather  
In all kinds of weather  
He sings his cattle call

[Yodels]

He's browned as a fairy  
From riding the prairie  
And he sings with an old western drawl

[Yodels]

Singin' his cattle call
