"Faded Love"

As I look at the letters that you wrote to me
It's you that I am thinking of
As I read the lines that to me were so dear
I remember our faded love
I miss you darlin' more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love.
As I think of all the pleasures we had
As I watch the mating of the dove
It was in the springtime that you said goodbye
And I remember our faded love
I miss you darlin' more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love.
And remember our faded love.
