Fear is any army  
Fighting against me  
Fighting a lost cause  
If I could only change their uniform  
They'd be soldiers of love  
Marching on and on

Love is any army  
Waiting for me  
Waiting for this girl  
If I could only stretch my arms around you  
I'd suddenly see  
There ain't nothin' wrong with me  
Hear

Words fly out  
The roof of my mouth  
They found a flaw  
In my armor  
Heart so still  
Your beating will  
Heal the wars I remember,  
remember

Blue is the ocean  
Calling me in  
Calling me near  
If I could only learn  
To breathe down here  
I know I would be  
At home under the sea  
Yeah

Chorus

I'll bend my sword  
Against the world  
I'll push on through  
In spite of you

Love is an army

Waiting for me  
Waiting for this girl
