Time, sometimes the time just slips away
And your left with yesterday
Left with the memories
I, I'll always think of you and smile
And be happy for the time
I had you with me
Though we go our seperate ways
I won't forget so don't forget
The memories we made

Please remember, please remember
I was there for you
And you were there for me
Please remember, our time together
The time was yours and mine
While we were wild and free
Please remember, please remember me

Goodbye, there's just no sadder word to say
And it's sad to walk away
With just the memories
Who's to know what might have been
We'll leave behind a life and time
I'll never know again

Please remember, please remember
I was there for you
And you were there for me
And remember, please remember me

Please remember, please remember
I was there for you
And you were there for me
Please remember, our time together
The time was yours and mine
While we were wild and free
Please remember, please remember me

And how we laugh and how we smile
And how this heart was yours and mine
And how a dream was out of reach

I stood by you, you stood by me
We took each day and made it shine
We wrote our names across the sky
We ride so fast, we ride so free
And I knew that you had me

Please remember, Please remember
