I know all about,
Yea about your reputation
And now it's bound to be a heartbreak situation
But I can't help it if I'm helpless
Every time that I'm with you, ah
You walk in and my strength walks out the door
Say my name and I can fight it any more
Oh I know, I should go
But I need your touch just too damn much
Lovin you, That isn't really something I should do
I shouldn't wanna spend my time with you ya
Well I should try to be strong
But baby you're the right kind of wrong
But baby you're the right kind of wrong
Ya, baby you're the right kind of wrong

It might be a mistake
A mistake I'm makin'
But what your givin I am happy to be takin
'Cause all that will make me feel
The way I feel when I'm in your arms

They say your somethin I should do without
They don't know what goes on
When the lights go out
There's no way to explain
All the pleasure is worth all the pain
Lovin you, That isn't really something I should do ya-
hey
I shouldn't wanna spend my time with you ya
Well I should try to be strong
But baby you're the right kind of wrong
Ya, baby you're the right kind of wrong

I should try to run but I just can't seem to
'Cause every time I run your the one I run to
Can't do without what you do to me,
I don't care if I'm in to deep yeah

I know all about,
Yea about your reputation

And now it's bound to be a heartbreak situation
But I can't help it if I'm helpless
Every time that I'm with you, ah

You walk in and my strength walks out the door
Say my name and I can fight it any more
Oh I know, I should go
But I need your touch just too damn much
Hey-yeah
Lovin you, yeah, isn't really something I should do
I shouldn't wanna spend my time with you ya
Well I should try to be strong, I should try to be strong
But baby you're the right kind of wrong (right kind of wrong)
Baby you're the right kind of wrong
Baby you're the right kind of wrong

Yeah baby you're the the right kind of wrong
