One talk swagging like a superstar
Haters getting mad, cause I'm getting far
Let 'em know we don't get, tell 'em that we understand
Paparazzi taking pics, show 'em that we're getting rich
I am the one to make you bet all the money on me
Turn the cameras on the stage, I'm ready for you
I try to recommend, ready to do whatever for you
City to city, state to state, I'll be looking for you!

Chorus:

I'm a machine, and you're the one to make me
And now you try to take me apart, but can't!
I'm a machine, now I'm unstoppable,
I think that I better let you know!
I'm a machine,
No, they can't own me now
Never shut me down, no!
I'm a machine, cause all I'm here to stay
No taking me away, no!
I'm a machine!

Everybody knows that I'm popular, oh
Selling out seats like the opera, oh
Let 'em know that we don't get, tell 'em that e
understand
Ready for me when I come!
I am the one to make you bet all the money on me
Turn the cameras on the stage, I'm ready for you
I try to recommend, ready to do whatever for you
City to city, state to state, I'll be looking for you!

Chorus:

I'm a machine, and you're the one to make me
And now you try to take me apart, but can't!
I'm a machine, now I'm unstoppable,
I think that I better let you know!
I'm a machine,
No, they can't own me now
Never shut me down, no!
I'm a machine, cause all I'm here to stay
No taking me away, no!

I'm a machine!

You're tough terminator, so advanced for you haters,
Can't stop, won't stop, about to take over!
You're tough terminator, so advanced for you haters,
Can't stop, won't stop, about to take over!
I'm a machine!

Chorus:

I'm a machine, and you're the one to make me
And now you try to take me apart, but can't!
I'm a machine, now I'm unstoppable,
I think that I better let you know!
I'm a machine,
No, they can't own me now
Never shut me down, no!
I'm a machine, cause all I'm here to stay
No taking me away, no!
I'm a machine!
