Party on the wall
I need someone to kick it
There is a party out on the floor
Can you meet me there
Baby don't be scared I got you
You should leave your friends behind
You want it
I need it
You should party with me
If you want it
Come get it
Wish we party the night away

Chorus

I can see that you want it
Form the way that you watching
.. I know you think I am fly girl
I can see that you want it
Barely keep your dreams for me
.. of yours
Come party with me
In the dance floor you should party with me
Your girls come alone
You should party with me
Meet me on the floor
Come see what is in store
..
Party don't stop
Even that the club is closing
.. you wanna go
Have no fair I am here to save you
I will be here when danger is near

Chorus

I can see that you want it
Form the way that you watching
.. I know you think I am fly girl
I can see that you want it
Barely keep your dreams for me
.. of yours
Come party with me

In the dance floor you should party with me
Your girls come alone
You should party with me
Meet me on the floor
Come see what is in store

..

Chorus

I can see that you want it
Form the way that you watching
.. I know you think I am fly girl
I can see that you want it
Barely keep your dreams for me
.. of yours

Come party with me
In the dance floor you should party with me
Your girls come alone
You should party with me
Meet me on the floor
Come see what is in store
