Chorus:

Puppet master  
The way you pull my strings  
Making me do things that i don't wanna do  
Like i belong to you, to you  
Puppet master  
Want you let me go  
Always tryin to take control on me  
Time i set myself free  
Be free

Cutting these strings  
No more using me  
I should've tried leave a long time  
Your love had me blind for  
You've been mad when i'm gone gone  
Never lack you back no  
I don't need you anymore  
Girl i let you go now  
Broken heart no more couture in me

Chorus:

Puppet master  
The way you pull my strings  
Making me do things that i don't wanna do  
Like i belong to you, to you  
Puppet master  
Want you let me go  
Always tryin to take control on me  
Time i set myself free  
Be free

Puppet master  
No more games  
Being played with me  
No strings attached  
You could count that no i'm not coming back, no  
No done living like this because i had in ..  
No no no i'm moving on, moving on,

[Chorus:]

2 x  
..control me i ain't ..  
No you matter i wanna leave  
Now you matter i wanna leave  
Now what you i wanna breathe  
I'm free i'm free i'm free i'm free

[Chorus:]
