Turn that ..when the .. let it come
Shaking in your trunk showing me that way you love

Just like the .. shawty gone turn it up
You and your girls be like damn that's for sure
Give me that radio luv, that radio luv
Give me that radio luv, that radio luv

Wishin favourite ..and go ahead ..request line
Give me that radio luv cause i need mine
Need you turn it up, pop in the club
They show me love when my music ..
The ladies like yeah that's my shit
Make you wanna hit the bar get a drink
Throw the hands in the air, like this ..

Chorus:

Just like the .. shawty gone turn it up
You and your girls be like damn that's for sure
Give me that radio luv, that radio luv
Give me that radio luv, that radio luv

Turn it up, turn it up, turn it up
Now passing bottles round gonna fill em up
And hear them having problems
i can hear them have some fun
if there's your favourite song gonna turn it up
tell a friend to bring a friend
we gonna be living it out
get te cameras out gonna take a flick
'cause it's the movie now show how we live
No, throw your hands in the air
Like this .. head right here

Soon as they give it all the ladies turn it up
Yeah is they're favourite song
Showing me that way you love

Turn that ..when the .. let it come
Shaking in your trunk showing me that way you love

[Chorus:]

Turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up
Turn it up, turn it up, turn it up
