Swag it only been I am from a different planet  
Back stage banded baby make up  
This .. love take it now or never  
Look up in the sky so .. and so plain  
You see an major doing an major

You say you wanna a rockstar  
That be stronger than my ..  
You say you wanna a rockstar  
That be stronger than my ..

I promise I will treat you like my backstage love  
My backstage lover  
I promise I will treat you like my backstage love  
My backstage lover  
You can be my backstage lover

Take you on a ride let me be your showman
