Girl, you've got me so confused
I don't know what I'm gonna do
Part of me says, take it slow
And part of me says, let it go

Now don't stop
Don't stop
Don't stop doing what you're doing to me

I think we're moving way too fast
We need to take it slow and make it last
Well, I can't keep holding back
When you keep doing things like that

Now don't stop
Don't stop
Don't stop doing what you're doing to me

You start sparkling love now down
But I've watched the flame of love go out
Burning love takes a toll
And I don't want to lose control

Now don't stop
Don't stop
Don't stop doing what you're doing to me

Now don't stop
Don't stop
Don't stop doing what you're doing to me

Now don't
Don't stop doing what you're doing to me

Now don't stop
Don't stop doing what you're doing to me

Now don't
Don't stop doing what you're doing to me

Now don't stop
Don't stop doing what you're doing to me

Now don't stop
