I haven't had a good night's sleep in weeks, now thanks  
to you  
The ghost of broken promises you made, haunts every  
room  
A hurtin' heart can't get no rest 'round here  
I lie awake and wonder how your conscience could be  
clear

How do you sleep at night?  
Do you toss and turn till the morning light?  
Does the darkness help when you lie down with the  
truth?

How do you sleep at night?  
Are you all alone or holdin' someone tight?  
Do you see me when you close your eyes?  
How do you sleep at night?

Now your side of the bed's as cold as the lies that I  
believed  
I'm at the point when I can't even trust you in my  
dreams  
Did the way you left me leave you feelin' proud  
Or does the loneliness come callin' when the sun goes  
down?

How do you sleep at night?  
Do you toss and turn till the morning light?  
Does the darkness help when you lie down with the  
truth?

How do you sleep at night?  
Are you all alone or holdin' someone tight?  
Do you see me when you close your eyes?  
How do you sleep at night?

How do you sleep at night?  
Do you toss and turn till the morning light?  
Does the darkness help when you lie down with the  
truth?

How do you sleep at night?

Are you all alone or holdin' someone tight?  
Do you see me when you close your eyes?  
How do you sleep at night?
