The word is out, how you've been talkin'
'Bout how you won that woman's heart
You may think it's your charm that led her to your arms
The truth is I did more than my part

If I'd only been there for her, she wouldn't be yours now
You'd have never had the chance if I hadn't let her
down
'Cause it's a cold hard fact
If I hadn't turned my back, she'd have never turned to
you
She was never yours to win, she was mine to lose

You might think you're gonna keep her
But you're just loving on borrowed time
'Cause I know where I went wrong
And now it won't be long
'Til that woman's back to being mine

If I'd only been there for her, she wouldn't be yours now
You'd have never had the chance if I hadn't let her
down
It's just a cold hard fact
If I hadn't turned my back, she'd have never turned to
you
She was never yours to win, she was mine to lose

It's a cold hard fact
If I hadn't turned my back, she'd have never turned to
you
She was never yours to win, she was mine to lose

She was mine to lose
She was mine to lose
She was mine to lose
