Yes, I'll take you back again, you knew I would  
For I go on lovin' you that's understood  
But it's the first time you've come back with tears in  
your eyes  
Lately someone's taught you how to cry

Someone had to teach you I didn't have the heart to  
Hurt you just like you've been hurting me  
Someone had to teach you things it's time that you  
knew  
Now maybe you'll be satisfied with me

Someone took your heart and rubbed it in the dirt  
And that look on your face tells me you're hurt  
But you had this lesson coming for so very long  
Our sins have a way of coming home

Someone had to teach you, I didn't have the heart to  
Hurt you just like you've been hurting me  
Someone had to teach you things it's time that you  
knew  
Now maybe you'll be satisfied with me  
Now maybe you'll be satisfied with me
