Last night I told a lie  
When I told you I could say, "Goodbye"  
Here in the light of day  
What a crazy thing for me to say

What I meant to say was, "I love you"  
What's been killin' me is I hurt you  
What I didn't do was hold you when I saw the teardrops  
fall

What I should've said was, "I'm sorry"  
What I should've said was, "Forgive me"  
What I meant to say was what I didn't say at all

Last night I had a dream  
You were really walking out on me  
I woke up, scared to death  
Please forget about the things I said

What I meant to say was, "I love you"  
What's been killin' me is I hurt you  
What I didn't do was hold you when I saw the teardrops  
fall

What I should've said was, "I'm sorry"  
What I should've said was, "Forgive me"  
What I meant to say was what I didn't say at all  
What I meant to say was what I didn't say at all
