Love Iyah, Love Iyah.  
Peace and Love Iyah,  
Love Iyah, Love Iyah  
Just a little love Iyah  
My brother says Love Iyah  
My sister says Love Iyah

This life is not for the weak but for those whose hearts  
are strong  
Hatred begets evil but with love you can't go wrong no I  
say  
Love Iyah, Love Iyah, Oh I say Love Iyah  
All the people say Love Iyah, Love Iyah, oh Love Iyah  
Come on children Love Iyah  
Glory Train Love Iyah

They will rise in arms against you in the name of the  
lawmakers  
And turn your brother against you and make wrong the  
good you've done  
But I say  
Lovelyah, Lovelyah  
My brother says Love Iyah  
My sister says Love Iyah  
And I say Love Iyah, Love Iyah  
Peace and Love Iyah, Love Iyah

They will try to buy your souls with money,  
Bribing with milk and honey  
Distorting the youths in their minds  
Doping the wool they pull over their eyes  
Is just another Love Iyah, Love Iyah  
My brother says Love Iyah  
My sister says Love Iyah  
All the people say Love Iyah, Love Iyah  
I and I say Love Iyah  
Even the babe Love Iyah

Jah call on the youth cause they're strong  
Don't give your strength in vain now  
Seek ye first the Kingdom all good things shall be

added  
here I say Love your enemies  
Bless all those who curse you  
Do good to them that hate you a tell you  
Pray for those that oppress you  
And tell them is one Love Iyah  
Peace and Love Iyah  
My brother say  
Love Iyah
