VERSE 1

I just want to tell you all the things you are

And all the things you mean to me

When I find myself believing there's no place to go

When I feel the loneliness inside my heart

CHORUS

You're the answer to my prayer

And you're with me everywhere

You're my angel, miracle

You're all I need tonight

Give me shelter from the rain

You breathe life into me again

You're my angel, miracle

You're all I need to know tonight

Life is just a moment, where blowing in the wind

We're tryin' to find a friend

And only time can tell us if we win or if we lose

And who will stand beside us

VERSE 2

When there's darkness all around me you're the light I
see

When I need someone to ease my troubled mind

CHORUS

You're the answer to my prayer

And you're with me everywhere

You're my angel, miracle

You're all I need tonight

Give me shelter from the rain

You breathe life in me again

You're my angel, miracle

You're all I need to know , oh ,tonight

Oh

You're my angel

Uh- huh

All I need tonight

You're my angel

You're the answer to my prayer

And you're with me everywhere

You're my angel, miracle

You're all I need tonight

Give me shelter from the rain

You breath life into me again

You're my angel, miracle

You're all I need to know tonight

You're all I need tonight

All I need tonight (Angel, my angel, my angel)

You're all I need to know, oh (Angel, my angel, my

angel)

You're my angel (Angel, my angel, my angel)

My-my-my-my-my angel (Angel, my angel, my angel)

My angel (Angel, my angel, my angel) Fade
