I used to think that love was just a farrie tale until that
first hello, until that first smile

but if i had to do it all again, I woudn't change a thing

'cause this love is everlasting

Suddenly, life has new meaning to me

there's beauty up above, and things we never take
notice of

you wake up and suddenly your in love

Girl your everything a man could want and more

a thousand words are not enough to say what I feel
inside

holdin' hands as we walk along the shore

never felt like this before, now you're all im livin' for

Suddenly, life has new meaning to me

there's beauty up above and things we never take
notice of

you wake up and suddenly your in love

Each day, I pray, this love affair would last forever
(ooh, ooh)

suddenly, life has new meaning to me

there's beauty up above and things we never take
notice of

you wake up suddenly, your in love

ooh, ther's beauty up above, things we never take

notice of

you wake up, and suddenly, your in love! (oooh, oooh,
oooh)
