No matter how hard I try

To me you are so right

But still you walk away

I can't keep up the fight

I close my eyes and think of you

Refuse to let you go

Now all that's left in me

Is a love that I can't show to you

As you slowly slip away

CHORUS

You got a hold on my heart

You did right from the start baby

And I don't know what to do 'cos darlin' now

You tell me it's okay

To turn you away

Still I'm fallin', fallin' in love with you

You always said to me

What was on your mind

Ask me what I'm thinking

Maybe another time

'Cos I don't want any answers

To me you are the clue

Don't take away my starlight

The light that shines from you yet still

You never seem to stay

Repeat CHORUS

Instrumental Break

Repeat CHORUS Twice
