Ooh  
Ooh  
Ooh

Please stand by  
We've come so far  
These years we've survived  
The ride that turned us inside out  
Repeat after me  
Just scream and shout  
It was the best of times  
From broken homes and battle scars  
To where we are

Graduate  
Paper chase  
We'll get out of this place  
Don't turn around  
Hit the highway  
Pour some liquor out for this town  
Now that's all for us  
It's last call to go

Ooh  
Ooh  
Ooh

Roll it out  
It's over now  
We're the castouts  
With messed up friends  
Who never did fit in  
Don't care where it ends  
Doesn't matter now  
As long as we're all one  
We'll take the next bus  
Destination: setting sun

Graduate  
Paper chase  
We'll get out of this place

Don't turn around  
Hit the highway  
Pour some liquor out for this town  
Now that's all for us  
It's last call to go

Graduate  
Paper chase  
We'll get out of this place  
Don't turn around  
Hit the highway  
Pour some liquor out for this town  
Now that's all for us  
It's last call to go

This is an open invite for  
All to attend  
Don't ask too many questions  
Now don't tell us how it ends  
Cause we're the ones that wrote the end

Graduate  
Paper chase  
We'll get out of this place  
Don't turn around  
Hit the highway  
Pour some liquor out for this town  
Now that's all for us  
It's last call to go

We'll get out of this place  
Don't turn around

Pour some liquor out for this town  
Now that's all for us
