Dear New Year
Please show up early
Because I can't wait for you

Bring all your promises
And take these broken things
They haven't done me much good

Because this December
Doesn't offer anything to me
But for now I have you
My New Year

Dear New Year
I know you're thinking of me
Because I can't stop thinking of you

It's been so long since we last met
And I wonder how you've changed
If we can start it all up again

Because this December
Doesn't offer anything to me
But for now I have you
My New Year

Dear New Year
I know that you're sleeping
And I can't wake you up

I'll wait outside in the stinging rain
Throw rocks at your window
And we can start it all up again

Because this December
Doesn't offer anything to me
But for now I have you
My New Year
