My gold tadow, it will turn you inside up
Black tadow, my money like tadow
Bling, tadow, money,
Bling, tadow, money,
Ra-ta-ta-ta-tadow

Yeah, money on my mind, ... in my cup
Mixed with that wine, we in my
That's just zodiac fine I don't give a f*ck
If you rep them dollar sign, go and put em up
That I walk back, see I walk first, move the f*ck back
I back that I pump that, I real estate, I trump that
Y'all be where them chumps at
Y'all be where them punks at
I be with them, them ...at
New mentalist city I be ... a car model I whipped it in
A face is shape I've been with her
If not with her, send my love
G's on deck, I really live it
Got from left rap, rack city

My gold tadow, it will turn you inside up
Black tadow, my money like tadow
Bling, tadow, money,
Bling, tadow, money,
Ra-ta-ta-ta-tadow

Last night money, first night my love this
So lvoe this money is my ...
Test me naha, shoot right there
Leave you right there, leave the scene talk with long ...
Like tadow give me that hoe, any time lada pop that
p*ssy
For my wallet, sex is a weapon,
papa and I'm riding round and I'm getting it
You already know my stylo
I'm big like selling, and you small, small like ...
And the chopper on my back seat, hand reaching no
plan b

I'm the type of n*gga, wear a ...to the grammies
Test me naha, right there
Leave you right there, leave the scene talk with long ...

My gold tadow, it will turn you inside up
Black tadow, my money like tadow
Bling, tadow, money,
Bling, tadow, money,
Ra-ta-ta-ta-tadow

If you ain't talking dollars, I ain't tryina holler
Push been on this rap, with them guallas
And with them essays, filling up them charges
Gasing in them gas tanks... for you cowards
... out, let it ... out, call my people mecaman
The way they bring the pain out, ra!
You heard that, ain't no way to swerve that
Flip you on your ... that purple push the curbe back
Yeah, f*ck around with the wrong one
Yeah, spazzing out like I'm on one
Dark skin with a wrong ... right there
That's nightmare, like elm street, this hell week
I'm candy man with that..
