[Phonte] If your friends only knew how bad they stare  
By not being you there would be bloodshed So you  
keep it to yourself The comfortable life you live Don't  
make it look easy Hide the means you achieve [Chorus:  
Phonte] It's a shining path of light through your secrets  
It's a shining path in your mind to run free Lah-lah-lah-  
lah-la Lah-lah-lahhhhhh, ohhhhhh Lah-lah-lah-lah-la Lah-  
lah-lahhhhhh, ah-ohhhhhh [Phonte] If you walk among  
them as a comrade They won't see the albatross that  
lives in your shadow But maybe your worry is just a red  
herring And all this time you're the only one caring  
[Chorus: Phonte]
