I strofa

Baby i'm gonna drive you home,you're leaving
All is not enuff no more,belive me
You wanna change the game you play
What is wrong with you today
You promised me to stay the same
Don't leave me,don't leave me
li strofa

It doesn't have to be this way,and you know it
A change of heart a change of mind
I (just) can fit (in)
They said you'll never be a star
I tell you 4 me it's what you are
You promised me to stay the same
But you're leaving,you're leaving
Ritornello

Down town,one more time,living in your lifetime
Down town,you said you would go,i don't know
What you wanted to be
