I work the day 4 the nite you know that i will i will be
your only lover
Stop looking 4 another Maybe i'll just get high you know
that i will
i will gonna get to you it's gonna be all right

All right tonite all right babe
All right tonite all right auh!
All right tonite all right babe
All right tonite all right auh!
Turutturu tarattattarattara

Turn around and round and round
You know before i'll get by you know that i will i will give
all my honey
I'll give you money honey Until i cannot breath
i you know that i will i will gonna get to you it's gonna be
all right

All right tonite all right babe
All right tonite all right auh!
All right tonite all right babe
All right tonite all right auh!
Turutturu tarattattarattara

Turn around and round and round
