No need to tell her she knows  
That there's another little hole in her heart  
Each day each dollar she knows  
It tears another little hole in her heart  
'Cause she feels it happen no doubt  
That there's another little hole in her heart  
Another little hole in her heart

The day is breaking and time is taking  
The love we're making away  
This life can only leave us lonely  
There's no tomorrow  
Just another little hole in her heart, yeah

No need to tell me I know  
That there's another little tear in my eye  
I'm quite aware I see  
That there's another little tear in my eye  
Do you ask yourself why?  
Should we ask ourselves why?  
Is there any point in wondering why?  
Any point in wondering why?

The day is breaking and time is taking  
The love we're making away  
This life can only leave us lonely  
There's no tomorrow  
Just another little tear in my eye  
Another little tear in my eye  
Another little tear in my eye, yeah

I don't know, I don't know, I don't know, I don't, I don't  
know  
I don't know, I don't know, I don't know, I don't, I don't  
know  
I don't know, I don't know, I don't know, I don't know, I  
don't know  
I don't know, I don't know, I don't want to know

The day is breaking and time is taking  
The love we're making away  
The Gods have spoken the spell is broken

And love will tear us, love will tear us apart  
This life can only leave us lonely  
There's no tomorrow  
Just another little hole in my heart  
Another little hole in my heart  
Another little hole in my heart

I don't know, I don't know, I don't know, I don't, I don't  
know
