Need to know
I don't wanna know
Already know
I've seen the signs
I watch you as you pull yourself away from me
Can't believe
I wanna believe
How can i believe
You're making me doubt
I thought i knew you
I don't even know myself
I'm losing faith
I'm losing all faith
You're breaking my heart
Breaking my heart
You're breaking my heart again
Don't ask me to start
Ask me start
Don't ask me to start again
Start again
I wanna fight
Afraid to fight
Why don't i fight
And make you see
I hold my breath
And disappear inside myself
I'm losing strength, i'm losing all strength
You're breaking my heart
Breaking my heart
You're breaking my heart again
Don't ask me to start
Ask me to start
Just don't ask me to start again
Start again
Oh you're breaking my heart again
Don't ask me to start
Ask me to start
Just don't ask me to start again
Start again
No
Oh no no
I'm losing you

I'm losing, oh, you
