Need to know  
I don't wanna know  
Already know  
I've seen the signs  
I watch you as you pull yourself away from me

Can't believe  
I wanna believe  
How can i believe  
You're making me doubt  
I thought i knew you  
I don't even know myself

I'm losing faith  
I'm losing all faith

You're breaking my heart  
Breaking my heart  
You're breaking my heart again  
Don't ask me to start  
Ask me start  
Don't ask me to start again  
Start again

I wanna fight  
Afraid to fight  
Why don't i fight

And make you see  
I hold my breath  
And disappear inside myself

I'm losing strength, i'm losing all strength

You're breaking my heart  
Breaking my heart  
You're breaking my heart again  
Don't ask me to start  
Ask me to start  
Just don't ask me to start again  
Start again

Oh you're breaking my heart again

Don't ask me to start  
Ask me to start  
Just don't ask me to start again  
Start again

No

Oh no no

I'm losing you  
I'm losing, oh, you
