all I want is to go back to the beggining, I'm trying to
make it new.

It is so hard to find a way to be forgiven, for the way
back to you

babe, no. don't leave me like this

i've must have been crazy, girl to do what i did.

dont you hear me calling and on my knees?

dont you feel me falling at your feet?

all alone in the darkness

whole in my heart

singing pleeeeeeasee.. please

hear me calling out

mmmm..

in my heart you'll find a piece of me is missing

and ---- is missing i can do.. ??

look in my eyes you'll see I'm barely even living

living without you..

got to tell you baby

i.. i've got so much to say

it caused me to pieces and you torn me away

dont you hear me calling and on my knees?

dont you feel me falling at your feet?

all alone in the darkness

whole in my heart

singing pleeeeeeasee.. please

babe, we've got so much to say..

it caused me to pieces and you toss me away

dont you hear me calling and on my knees?

dont you feel me falling at your feet?

all alone in the darkness

whole in my heart

singing pleeeeeeasee.. please

na na na na na na na...

dont you feel me falling at your feet?

all alone in the darkness

whole in my heart singing pleasee

hear me calling out

oh baby dont
im calling out on my knees
hear me calling out on my knees
dont you hear me calling out on my knees..
