There's no money, There's no possessions,

Only obsession, I don't need that shit,

Take my money, Take my obsession,

I just want to be heard,

Loud and clear are my words,

Comin' from within man,

Tell 'em what you heard

It's about a revolution in your heart,

And in your mind,

You can find the conclusion,

Lifestyle and obsession,

Diamond rings get you nothing,

But a life-long lesson,

And your pocketbook stressin',

You're a slave to the system,

Working jobs that you hate,

For that shit you don't need,

Its too bad the world is based on greed,

Step back and see,

Stop thinking 'bout yourself,

Start thinking 'bout,

There's no money, There's no possession,
Only obsession, I don't need that shit,
Take my money, Take my possession,
Take my obsession, I don't need that shit,
'Cause everything is nothing,
And emptiness is in everything,
This reality is really just a fucked-up dream,
With the flesh and the blood,
That you call your soul,
Flip it inside out, It's a big black hole,
Take your money, Burn it up like an asteroid,
Possessions they are never gonna fill the void,
Take it away and learn the best lesson,
The heart, The soul, The life, The passion,
There's no money, There's no possession,
Only obsession, I don't need that shit,
Take my money, Take my possession,
Take my obsession, I don't need that shit,
Money, Possession, Obsession,
Present yourself,
Press your clothes,
Comb your hair,
Clock in,
You just can't win,
Just can't win,

The things you own,

Own you,

Take my money, take my possession,

Take my obsession, I don't need that shit,

Fuck your money, Fuck your possession,

Fuck your obsession, I don't need that shit,

Money, Possession, Obsession,

I don't need that shit
