All alone

I can't seem to fight these feelings

Ã½'m caught in the middle of this

My wounds are not healing

I'm stuck in between my parents

I wish i had someone to talk to

Someone to confide in

Ã½ just want to know the truth

I just want to know the truth

Broken home

All alone

I know my mother loves me

But does father even care

If i'm sad or angry

You were never ever there

When i needed you

I hope you regret what you did

I think i know the truth

Your father did the same to you

I'm crying day and night now

What is wrong with me

I cannot fight now

I feel like a weak link

Push it back inside

It feels bad to be alone

Crying by yourself, leaving in a broken home

How could i tell it so you all could feel it

Depression strikes me hard like my old earth would tell
it

To me , her son , she told me i'm the one

Pain bottled up about to blow like a gun

Stories that i tell are nonfiction

And you can take it back cos' its already done

Broken home
