Dead president, fuck the president

Mansons strive for power

While I work to save my residence

He owns you even though he never told you

Mark of the beast on your hands

Now he owns you

Thrown down to the bottom level

Ruled by the fist

And the fist is the devil

I metamorphosis, make myself level

We are the future

We are right now

Right now, I'm taking a stab at the sic, sic, sic

I know what evil is and evil could suck my dick

Like Sam Hain and the God ain't no joke

Better watch your neck

'Cause you might get choked

We are the future

We are right now

Fuck the future

You sink we swim

We rise you fall

We meet our fate together

I was here from the start

And I'll be here in the end

In the end

I'm dodging arrows from the dark side every day

And I'm a main target 'cause of what I say

Infinitely, always go against the grain

And question everything

Before it takes your brain

Thrown down to the bottom level

Ruled by the fist

And the fist is the devil

I metamorphosis, make myself level

Yeah, c'mon

Yeah, c'mon

We are the future

We are right now

Fuck the future

You sink we swim

We rise you fall

We meet our fate together

I was here from the start

And I'll be here in the end

In the end

Legacy

Legacy

Legacy

Legacy

I was here from the start

And I'll be here in the end

In the end

Legacy

Legacy

Legacy
