This music is my time
To reel out and rewind
I'll be brutal with truth
I'd rather be honest with my soul
Be the pile of trash
A bum picks through to get a bite to eat
I'm filthy
I'm horny
I'm dirty nasty dirty
I'm strong and fearless
Only 'cause I got rock 'n' roll
I'm knee-deep in our blood
Only 'cause I got rock 'n' roll
C'mon
Baby c'mon
Yeah
Baby c'mon
Break it
Crazier than I ever was
I'm bloodied up I beat my skull in
Comin' home in a body bag

And I'm ready to die for rock 'n' roll

I can't change the world

I can only change myself

I'm as sharp as a knife

As high as a kite

Demented as the night is long

I'm not sheddin' a tear

I'm blowin' some steam

Stuck in between

Living a dream

Baby c'mon
