Remember the girl

Abused with forks, knives, and razor blades?

Remember the girl

Abused with forks, knives, and razor blades?

She finally left him

Had enough of her man's rage

Band-aids covered her scars she left him bloodied

Beat his ass with a bat

Face sunk in like silly putty

Y'all can sit back so I could study

Destruction of the family design

And how the morals of society decline

Essentially it's beats to rhyme like grapes to wine

It's alright

We're in love

Can't live with

Or without

You see she can't live with him

And can't live without him

Stress got her down she need to deal with the problem

As the drama gets deeper

I puff on the reefer

Took the last step and sent his ass to the reaper

Chaos, is what she saw in the mirror

Scared of herself and the power that was in her

It took over

And weighed heavy on her shoulder

Militant insanity is now what controlled her

It's alright

We're in love

Can't live with

Or without

It's alright

We're in love

Can't live with

Or without

We're in love

We're in love

Kill it before it reaches you

Missiles won't work it's approaching the mainland

What if it reaches the metropolitan areas?

Cosmopolitan areas

Secure the lines and prepare for departure

Calm, calm, calm,

It is a, a big business

And seems to be

Advancing underground

Cuz my style is yo, is underground

I'm green

With my red eyes mad tint

Flea fly flo

Rapido, rapido

She feeds plentiful

Electrifying the nation

Electrifying the nation!

Don't you see that we're in danger?

How will we stop it?

She is attacking

Don't you see that we are in danger?

How will we stop it?

She is attacking

Sucka!

Danger danger!

Sucka!

Danger danger!

Sucka!

Danger danger!

Sucka!

Danger danger!

Running out

We're running out

(Running out of time)

Running out

We're running out

(Running out of time)

Running out

We're running out

(Running out of time)

Running out

We're running out

It's alright

We're in love

Can't live with

Or without
