"Snakes"

I got a problem with the snakes that are crawlin
Through my area when the darkness has fallen
And Momma told me that they love to bite
They stab you in the back no shame that's right, what,
what
I keep my distance cause they're makin me crazy
Stealin from me, you know those fuckers are lazy
My blood boils, fat turns to oil
Step the fuck back or you'll get buried in soil
Over drama, or you could sleep with the fishes
My clutches are tight and I'll take your last wishes
One for your money
Two for your girl
Three for your life
Now I fucked up your world
Do you like how it feels
To be bit in the neck by the snake that kills?
Do you know how it feels to be stabbed in the back then
watch the blood spill?
I don't like how it feels check it
Do you know how it feels to be stabbed in the back then
watch the blood spill?

Break it down

Yo, it's kinda funny how you're runnin your mouth man

You're caught in a lie and then there's no way out,
come on

Betray your friends and your peeps and your family

Livin like a snake Livin like a bloody thief

Check my speech cuz it's deep like the sea

From me to y'all, and then from y'all back to me, Ha!

Danger danger, slay snakes like a ranger

Military style fears god not a stranger

Now tell me, tell me who's crew's sicker?

Mine's sicker, get on your knees you be a dick licker

One for your money

Two for your girl

Three for your life

Now I fucked up your world

Check it!

Do you like how it feels

To be bit in the neck by the snake that kills?

Do you know how it feels to be stabbed in the back then
watch the blood spill?

I don't like how it feels, check it

Do you know how it feels to be stabbed in the back then
watch the blood spill?

Do you like how it feels?

I don't like how it feels!

I don't like it

I don't want it

I don't need it

I don't like it

I don't want it

I don't need it

What the fuck is up?

Do you like how it feels

To be bit in the neck by the snake that kills?

Do you know how it feels to be stabbed in the back then
watch the blood spill?

Do you like how it feels?

I don't like how it feels to be bit in the neck by the snake
that kills

By the snake that kills

By the snake that kills
