I'm riding in a long black car  
I'm riding in a long black car  
Chauffeur's in the front, I'm in the back  
It's a limousine and I'm a star

It's calculated and it's cold  
It's calculated and it's cold  
They love my ass, I go first class  
Who needs a heart of gold

It's not all swell as it seems  
No the dream's not as swell as it may seem  
There's ups and there's downs and autograph hounds  
It's not all peaches and cream

But yes it's a dream come true  
Yes it's a dream come true  
I got three guitars, I got credit cards  
I got more money than you

Baby it's an A.M world  
Baby it's an A.M world  
Get yourself a flag, run it up a pole  
And keep that thing unfurled

I'm riding in a long black car  
I'm riding in a long black car  
Chauffeur's in the front, I'm in the back  
It's a limousine and I'm a star
