Got That Somethin'
Robbie Glover

Gotta Tell Ya Your The One For Me

Verse 1

Something You Gotta Know
Gotta Let My Feelings Show
Cause They Been Lying Low In Side Of Me
You Know I'm Feelin' You
I Know That You Feel It Too
You Know What We Gotta Do
Let's Get It On

Bridge

I Have Never Been A Guy To
Kiss The Girls & Make Them Cry
I Have Never Met A Girl Like You
That Leaves Me Down On My Knees

Chorus

You Got That Somethin' That I Want
Got That Somethin' That I Need
Got That Somethin' That I Know You Gotta Give Me
Baby
Got That Somethin' I Require
Diggin' Down In My Desire
Gotta Tell You Your The One For Me

Verse 2

Take It To the Street
Wanna Move You Groove You
Step It To the Beat
And It's Gonna Be Sweet And You Know It
You Know Your Touching Me
In A Way It's Got To Be
A Groovy Thing That We Got Goin' On

Bridge

I Have Never Been A Guy To
Kiss The Girls & Make Them Cry

I Have Never Met A Girl Like You
That Leaves Me Down On My Knees

Chorus

You Got That Somethin' That I Want
Got That Somethin' That I Need
Got That Somethin' That I Know You Gotta Give Me
Baby
Got That Somethin' I Require
Diggin' Down In My Desire
Gotta Tell You Your The One For Me

Breakdown

You Got That Somethin'
Gotta Give Me That Somethin' Baby
You Got That somethin'
Gotta Give Me That, Gotta Give Me That, Yeah

I Have Never Met A Girl Like You
That Leaves Me Down On My Knees
Woohoo

Chorus

You Got That Somethin' That I Want
Got That Somethin' That I Need
Got That Somethin' That I Know You Gotta Give Me
Baby
Got That Somethin' I Require
Diggin' Down In My Desire
Gotta Tell You Your The One For Me
