It's your sexy world to come out and let's go shopping
I've got three cards in my name
Honey I don't ever gotta spend a thing
I got money, I got cash, baby now where you at?

Swipe, swipe, swipe, that's what happens when all the

Want you out of your tights, tights, tights
You know the ones with zipper the black leather lookin'
Like a rock and roll killer, killer, K- killer,
K-k- killer, killer, K-killer, killer, K-k-killer, K-killer, k-k-k-k

She gets in the club in with no cover
With no lies you sexy motherfucka
Drinks on the house cause all the boys love her
Boys go, boys go, boys go crazy
She gets in the club with no cry
With three shots four shots and she's wild
And she do anything to make watchin
Boys go, boys go, boys go crazy
