Wow

Will.I.Am

Wow

It's the jam

[PG]

I've been waiting for the weekend to go out and hit the club again cause

(that's just what I like, that's just what I like)

I've been working, I've been serving

Just a girl that 'need some' dividends

(to buy what I like, to buy me what I like)

I've been saving up my dollars for a shopping spree on Rodeo

(that's just what I like, that's just what I like)

I've been dreaming for a holiday, I want to go to Monaco

(That's just what I like, that's just what I like)

[Will.I.Am]

Aint no wrong we living big, I'ma go out and get it big.

I love ladies to 'go big', and I love late nights with crazy chicks

Who wanna go get get get it, get get get it get get get it alright

[PG]

I wanna get get get it, get get get it, get get get it tonight

I've been waiting for the weekend to go out and have some crazy fun cause

Ima do it like I never done, and living like im 21 cause [

both] (That's just what I like, that's just what I like)

Ima a freak, and freaks can drop it low and pop it like them strippers do

[both] (that's just what I like, that's just what I like)

And baby if you're the lucky one, I might be going
home with you
[both] (that's just what I like, that's just what I like)

[Will.I.Am]

Aint no wrong were getting wild, I ain't wild out in a
while
Time to get a little tipsy now, show the world my
'greatest' style
'Niggaz ain't know I have chips like' "wow"
Hang around all kinda chicks like "wow"
Now they all jockin on my dick like "wow", Got them all
like "wooooowww"
I make that paper (look at ya now)
Ya'll 'causin vapors' (look at ya now)
Talkin bout ya'll hate me, I don't give a fuck ya'll haters

All the girls in the club wanna date me
On my body like they all wanna rape me
'Man' aside like they all wanna taze me. Look at me

Look at me now (Girls look at you now)(x8)
